

CATHARINA AKEMI CHAGAS CRUZ LISBAO

Cybersecurity & GRC | Questionnaires | Software Architecture

bao.akemi@gmail.com | +5517997231095 | <https://catharina-akemi.github.io/> | [linkedin.com/in/catharina-akemi](https://www.linkedin.com/in/catharina-akemi)

PROFESSIONAL SUMMARY

IT professional transitioning into Cybersecurity, GRC, backed by postgraduate studies in Cybersecurity & Cybercrime, Software Architecture, and Data Security. Hands-on experience building network security tooling in Python and PowerShell (packet capture, anomaly detection, port scanning, network range analysis). Prior background in languages, translation, and education brings strong technical writing, cross-cultural communication, and attention to detail — valuable assets for compliance documentation, security questionnaires, and internationally-facing teams.

TECHNICAL SKILLS

- Security & GRC: SOC 2, ISO 27001, CIA Triad, MFA, Least Privilege, Encryption vs. Hashing, Compliance Automation, Security Questionnaires
- Scripting & Tooling: Python (scapy, pandas, scikit-learn), PowerShell, network packet capture, anomaly detection, port scanning, CIDR range enumeration, reverse DNS lookup, Kali Linux

LANGUAGES & COMMUNICATION

- Native Brazilian Portuguese; C2 proficiency in English; Advanced Italian
- 5+ years of experience in translation, writing, and editing — strong foundation for localization, technical documentation, and international client-facing roles

PORTFOLIO PROJECTS

Network Security Tooling | Independent Project

- Built a Python-based packet capture tool using scapy and pandas, with machine-learning anomaly detection via scikit-learn
- Developed a multithreaded Python port scanner
- Wrote a PowerShell script for CIDR-range enumeration, host ping checks, and reverse DNS lookups

PROFESSIONAL EXPERIENCE

Municipal School Teacher | [Municipality] 03/2025-03/2026

- Planned and delivered lessons; communicated with diverse stakeholders

Assistant Teacher | Maple Bear 01/2023-12/2024

- Delivered bilingual instruction and supported classroom management in an international education environment

Translator / Writer / Editor | Freelance

- Provided translation, writing, and editing services across professional contexts

EDUCATION

- Postgraduate Studies — Cybersecurity & Cybercrime, Instituto Univirtua, 2025
- Postgraduate Studies — Software Architecture, Instituto Univirtua, 2025
- Postgraduate Studies — Data Security, Instituto Univirtua, 2025
- B.A. in Languages (Letras), Unesp Ibilce, 2023
